Membership Application

When you join CLSA, you will...

Join a Community. CLSA is more than a membership society. It is a group of focused, passionate and knowledgeable individuals sharing their experiences and learning from one other.

Increase Your Knowledge. CLSA holds educational meetings and offers online contact lens courses and continuing education through CLSA University.

Have Access to EyeWitness Journal. CLSA publishes a quarterly educational journal with in-depth articles and columns on contact lens related topics. A variety of perspectives are presented to appeal to all eye care professionals that work with contact lenses.

Be Eligible for Member Rebate Programs. Office Depot provides CLSA members with a [National Discount Program](#) for in store and on-line purchases. CooperVision sponsors a [Frequent Fitter Program](#) to allow members to earn rebate dollars that can be used for CLSA membership, CLSA sponsored meetings, and CLSA published educational materials.

Expand Career Opportunities. CLSA offers a Fellow Program for advanced contact lens fitters. The Fellow Program is CLSA's most prestigious level of achievement and provides opportunities to teach, speak, write articles and mentor other contact lens professionals.

Membership Options...

CLSA Membership: A person who possesses two years of contact lens fitting experience and/or two years of college advanced education above the high school level in the field of ophthalmics, who practices within the statutory requirements of the state where his/her practice is located.

Career Starter Membership: A limited membership for student or person who does not meet the definition of a CLSA Member but is interested in the contact lens profession. A Career Starter Member is eligible for this annual membership for a two year period.

Retired Membership: A person who is no longer actively involved in fitting contact lenses or eyeglasses and has been a CLSA member in good standing for at least the previous five years.

International Membership: A person who resides outside of the United States or Canada and possesses two years of contact lens fitting experience and/or two years of college advanced education above the high school level in the field of ophthalmics, who practices within the statutory requirements of the state where his/her practice is located.
